# SLOW WEDDING IN THE MIDDLE OF NATURE

La Garriga is our dream and we love to share it with you.

Roca Barbé Family

#### A slow wedding

In these busy times we are living in we need to stop and value what is really important to us, paying full attention to those small moments of our day that make us happy and also to those great moments that need to be celebrated in a special way.

When we get married we make the commitment of wanting to share the same path with another person, showing the world our love ... and this is really beautiful and important.

Our mission is to accompany you throughout the preparation process, from our first contact until the morning after your big day. We want to live this accompaniment in a very sincere way: with awareness, flexibility and security, through beautiful ideas full of sensitivity, honouring what is essential, transmitting a lot of calm so that you fully enjoy every moment and feeling the affection of a human team, our family, dedicated to their job with passion.

Close your eyes and start dreaming...

### IN THE BIG TERRACE

Many years ago the Grand Terrace was the place dedicated to separate the wheat from the chaff. Today it is an extraordinary place for an outdoor appetizer near the house.

### IN THE MEADOW

On beautiful handmade tales, surrounded by nature, the Meadow is also a very special place to celebrate the appetizer. You can enjoy beautiful views of the Masia on your back, and breath-taking views of Montserrat in front of you.

### IN THE PIANO ROOM TERRACE

The terrace measures 300 sqm and is partly covered, making it an ideal choice for cocktails or as a dance area. Its modern design and great views make this place very special and comfortable.

- Celebrate -

### PIANO ROOM

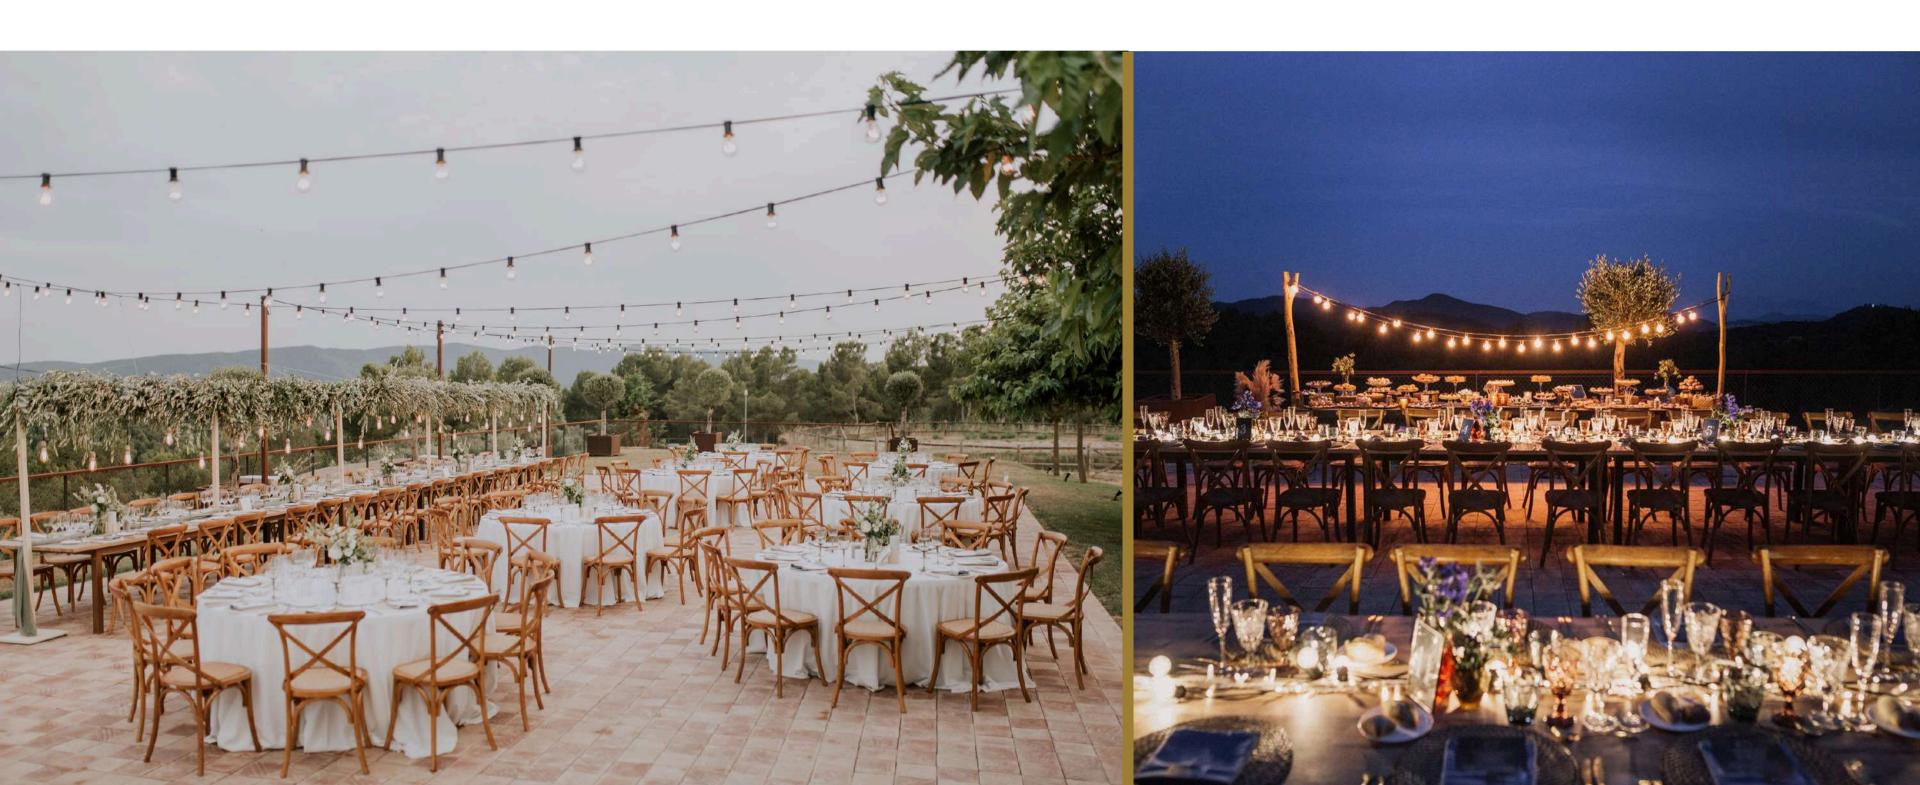

It is the largest room of the house, and wherever you are inside you will enjoy the best views of nature. The acoustics are particularly good in this room.

#### OUTDOORS IN THE MEADOW

One of the main charms of the Masia is its surrounding and this is why we offer the possibility to do an outdoors reception on the beautiful Meadow. There is a pre electrical installation to facilitate the illumination of the area.

### INTIMATE WEDDING

The Old Barn and the Montserrat Restaurant are beautiful areas full of history and light to celebrate an intimate wedding reception, up to 45 people.
