Our chef offers you a mediterranean cuisine, where fresh, local and ecological products have the main importance. Even some of the products that you will taste come from our organic vegetable garden.

We are passionate about discovering small local suppliers, knowing their projects and using their products in our kitchen. We believe that the final quality of each dish is the sum of the care and talent of all the people who have made it possible... from the land to the table.

We hope you enjoy with all your senses...
